

The State of the Agency: NASA Future Programs Presentation

Sponsored by the NASA Alumni League
with support from the AAS, AIAA, CSE and WIA

Friday, March 4, 2011
James E. Webb Auditorium
NASA Headquarters

300 E Street, SW
Washington, DC 20024

You are invited to a full day presentation on the status of NASA'S current and proposed programs. The session will include NASA Budget Overview, Mission Directorate budget priorities, and a discussion on the future of NASA. NASA participants will include Administrator Charles Bolden, Deputy Administrator Lori Garver, Mission Directorate Associate Administrators and other senior NASA officials. Time will be allotted for Q&A.

Registration: 7:30 - 8:00 am
Program Start: 8:00 am
Lunch: 11:45 am - 12:30 pm (on your own)
Program Conclusion: 5:30 pm

Seating is limited, so advance reservations are required.

RSVP to Pat Smith

Margaret.p.smith@nasa.gov or 202-358-1803

*Please indicate whether you are a Foreign National for security purposes.

This is a unique opportunity to hear about NASA's current programs and the implications of the proposed FY 2012 budget -- we hope you are able to attend!
